

21<sup>ST</sup> ANNUAL INTERNATIONAL ABOVEGROUND STORAGE TANK CONFERENCE & TRADE SHOW  
ROSEN SHINGLE CREEK HOTEL | ORLANDO, FLORIDA

### FREE FDEP COURSE

## FDEP PUBLIC OUTREACH ON THE NEW AST RULES

April 3, 2019 | 10:15am – 4:00pm

Wekiwa 3/4 | Rosen Shingle Creek | Orlando, FL

The Florida Department of Environmental Protection is providing public outreach about Florida’s new Aboveground Storage Tank Rule.

Charles Johnson from the Florida DEP will manage the program that will focus on the revisions to Florida’s AST rule and provide recommendations for compliance.

In addition, Ruth Rauenzahn from Orange County will provide presentations about inspectors perspectives of County AST inspections in Florida”. This will provide insight into what to expect from your County Inspector as well as an opportunity to ask questions about the new rules that were effective in January, 2017.

Marshall Mott-Smith will address inspections of shop-fabricated ASTs, and John Albert from the Missouri Department of Weights and Measures will speak about unusual tank installations and operations, and fuel quality.

This conference is designed for engineers, managers or other individuals involved with operations, construction, environmental compliance, manufacturing, spill prevention, emergency response, legal representation, or other management activities associated with aboveground storage tanks.
