Shipping information / Freight Handling Services

Exhibitors have a choice of two shipping locations.

Please label all pieces of freight and consign them as follows:

Advanced Warehouse Shipping Address:	Show site Direct Shipping Address: (Not to arrive before Tuesday, March 12, 2013)
NISTM c/o U.S. Tradeshows ABF Freight System, Inc. 3732 Bryn Mawr Street Orlando, Florida 32808	NISTM c/o U.S. Tradeshows Rosen Shingle Creek 9939 Universal Blvd Orlando, Florida 32819

US Tradeshows will only accept pre-paid shipments. COD shipments will be refused. Crates, cartons, and fiber cases only will be accepted at the advanced warehouse. Rolled carpet and padding will also be accepted in the advanced warehouse, but with a 25% special handling fee added to the drayage charge.

Bill of Lading

All shipments must be accompanied by a bill of lading or shipping tally indicating the number of pieces in the shipment, weight, and type of merchandise. Material handling charges will be based on the weight of the freight. Certified weight tickets are required for all shipments. Private vehicles arriving without certified weight tickets will either be sent to a weigh station, or a weight estimate will be made by US Tradeshows. Charges will be based on this estimation and no adjustments can be made. If your shipment contains mixture of crated and uncrated items, please have two shipping tallies, differentiating between crated and uncrated. Clearly identify the weights on each the shipping tallies. Otherwise, US Tradeshows will classify the entire load as uncrated and bill the exhibitor the uncrated rate. No adjustments will be made. All shipments must be consigned to US Tradeshows in order for us to accept them for handling. The convention facilities and hotels do not accept advanced shipments as they have no storage space, and the shipment will be refused.

Labor and Equipment

Labor and equipment for unloading and loading are included with US Tradeshows freight handling rates for services. Labor and equipment will be available for uncrating, unskidding, recrating, and reskidding machinery and/or equipment of exhibitors. If your material requires specialized rigging equipment, please notify us promptly so that we can make arrangements. When possible, supply your own rigging equipment with shipments and pre-rig your material.

Empty Labels

Shipping cartons will be picked up, stored, and returned after the show if they are affixed with empty labels by the exhibitor. These labels are available at the US Tradeshows Exhibitor Service Center ® and are for *empty storage only*.

Outgoing Shipments
