

Coronavirus Update - NISTM Postponed to July 27-29, 2020
March 13, 2020

NISTM has been monitoring the coronavirus/COVID-19 situation closely to ensure the safety of all exhibitors and visitors.

Due to recent reports from the World Health Organization (WHO) and the Centers for Disease Control and Prevention (CDC), we believe the right choice is to postpone the NISTM 22nd Annual International Aboveground Storage Tank Conference & Trade Show on April 15-17, 2020 in Orlando, Florida. We have rescheduled the AST show for July 27-29, 2020 and will share additional details with you via email soon.

For your convenience, we at NISTM have already contacted the Rosen Shingle Creek Hotel on behalf of everyone who made room reservations. Your reservations will be cancelled (these should all be complete by next week. If you want to confirm, you may call the hotel at (866) 996-9939.)

Attendees: Your registration will automatically roll over to July. You do not need to register again.

Golf Tournament: Your registration will automatically roll over to July. You do not need to register again. We are still working out the details. An email will be sent to you with further information.

Exhibitors: Your booth registration will automatically roll over to July. We'll be in touch via email with additional details.

If you have questions or concerns about your shipment for the April show, please contact John or Joan directly at US Tradeshow.

- Office (407) 812-8223
- Email John: jhalverson@ustshows.com
- Email Joan: jmckee@ustshows.com

We appreciate your patience and understanding during these troubling times and we look forward to seeing you in July.

Best Regards,

The NISTM Team
