

NATIONAL INSTITUTE FOR STORAGE TANK MANAGEMENT

The South Carolina State Storage Tank Seminar

Sponsored by:

The Mott-Smith Consulting Group

NISTM
National Institute for Storage Tank Management

September 29, 2009

Columbia, SC
Clarion Hotel Downtown

Agenda Topics for Underground and Aboveground Storage Tank Systems:

- Regulations
- Cathodic Protection
- State Compliance
Inspection Issues
- Storage Tank Management
- Petroleum Clean-up
Programs
- EPA and State Enforcement
- **NEW Operator Training Program!**

Mott-Smith
Consulting Group LLC

At this seminar, you will learn about what you and your company must do to meet the State of South Carolina Department of Health and Environmental Control rules for underground storage tank systems and how to manage and maintain the underground and aboveground storage tank systems at your facility. The new South Carolina DHEC Operator Training Program will be demonstrated and recent information about DHEC rules and policies will be presented by DHEC staff.

Presenters will discuss topics about Underground and Aboveground Storage Tank System management and regulations, compliance and installation/closure inspection requirements, cathodic protection, UST enforcement, petroleum clean-up, and much more!
