

## 28<sup>th</sup> ANNUAL INTERNATIONAL ABOVEGROUND STORAGE TANK CONFERENCE & TRADE SHOW ROSEN SHINGLE CREEK HOTEL | ORLANDO, FLORIDA

### NISTM CO-LOCATED COURSE: SPCC SHORT COURSE

April 27, 2026

NISTM is continuing the tradition of presenting Spill Prevention Control and Countermeasure (SPCC) short courses. The newly retired former national SPCC SME, Mark W. Howard aka *"The Prevention Guy"* will present materials from a different perspective, providing information and insights as a former regulator.

The objective of the SPCC short courses is to provide attendees with the tools needed to ensure compliance using innovative cost-effective approaches to SPCC plan development and implementation. The presentation materials have been updated and include insights on understanding applicability, the regulatory requirements, inspections/enforcement, and plan development/implementation.
